The amendment(s) is (are) arranged as follows to show deleted, new and unchanged text:

- deleted text is ~~struck through~~;
- new text is highlighted in **blue**;
- an ellipsis '[...]' indicates that the rest of the text is unchanged.

Draft Implementing act

Amend Annex I (Part-26) to Commission Regulation (EU) 2015/640 as follows.

SUBPART B — AEROPLANES

26.204 Take-off performance monitoring system

- (a) Operators of large aeroplanes used in commercial air transport shall ensure that every aeroplane for which the first individual certificate of airworthiness was issued on or after [6 years after the entry into force of the amending Regulation], is equipped with a take-off performance monitoring system.
- (b) This system must alert the flight crew as soon as possible to conditions that result in an unsafe take-off considering the actual aeroplane configuration, weight and centre of gravity.
